Education

St. Joseph's College of Engineering and Technology

Palai, Kerala

Bachelor of Technology in Computer Science (Artificial Intelligence)

Aug. 2024 – May 2028 (Expected)

Relevant Coursework

- Data Structures
- Computer Architecture
- Artificial Intelligence
- Python Language
- Software Engineering
- Database Management
- OOPS
- C Language

Projects

Modular AI Desktop Agent Suite | *Python, Git, Ollama, psutil*

April 2026

- Engineered a modular Python-based agent integrating **Hardware Telemetry** to monitor CPU and Battery health, ensuring system stability during heavy AI processing.
- Implemented a **Real-time News Scraper** using BeautifulSoup to fetch and filter live industry-specific data via HTTP protocols.
- Configured **Local LLM Inference** (Llama 3) for private and secure AI processing directly on local hardware, reducing dependency on external APIs.
- Managed codebase versioning via **GitHub**, maintaining a clean repository structure with professional documentation and .gitignore configurations.

System Automation & File Manager | *Python, OS, Shutil*

March 2026

- Developed an automation toolkit to manage system directories and organize creative assets using Python's OS and Shutil libraries.
- Designed logic for automated file sorting and naming conventions to streamline creative digital media workflows.

Technical Skills

Languages: Python (Advanced Logic), C, SQL, HTML/CSS

Developer Tools: VS Code, Git, GitHub, Linux/Bash Terminal

Technologies: Local LLMs (Ollama/Llama 3), Web Scraping (BeautifulSoup), Hardware Telemetry (psutil)

Leadership & Volunteering

National Service Scheme (NSS)

Palai, Kerala

NSS Volunteer

Aug. 2024 – Present

- Actively participating in community development programs and social service initiatives at the college level.
- Collaborating with a team of volunteers to organize blood donation camps and environmental awareness drives.

National Service Scheme (NSS)

School Level

NSS Unit Leader

June 2022 – May 2024

- Led a unit of 50+ students in executing social service projects, managing team coordination and event planning.
- Developed strong communication and organizational skills by acting as the primary liaison between students and school administration.

The Bharat Scouts and Guides

School Level

Scout Volunteer

June 2018 – March 2021

- Completed intensive training in discipline, survival skills, and community service, fostering a strong work ethic.
